NATIONALLY RECOGNISED TRAINING

2226VIC Graduate Certificate in Bereavement Counselling and Intervention
The Australian Centre for Grief and Bereavement (RTO # 22004) offers the Graduate Certificate in Bereavement Counselling and Intervention course, a post-graduate level, nationally recognised VET qualification designed for counsellors wishing to specialise in bereavement counselling and intervention.

This course is of a 11-month part program delivered in a blended mode with intakes in Melbourne, Sydney and Brisbane.

22271VIC Certificate IV in Bereavement Support
The Certificate IV in Bereavement Support is offered as a fully self-paced online course.

The course is designed for those who have a role in providing bereavement and loss support. The skills and knowledge provided by the course may be for a specific bereavement support job role or to complement other positions such as nurses/ midwives, aged/palliative care workers, funeral industry employees, welfare workers, counsellors and social workers.

This course requires completion within a 12-month period and offers multiple intakes annually.

New to 2018!

CHC51015 Diploma of Counselling (Grief & Loss)
In 2018, the ACGB will be launching the Diploma of Counselling course, based on member feedback and demand. This diploma level course, in addition to the compulsory core units, will include subjects along specific grief, loss and bereavement issues.

The course is intended for those who need a post-graduate level, nationally recognised VET qualification for either a specific bereavement support job role or to complement other positions such as nurses/ midwives, aged/palliative care workers, funeral industry employees, welfare workers, counsellors and social workers.

New to 2018!

CHC51015 Diploma of Counselling (Grief & Loss)
In 2018, the ACGB will be launching the Diploma of Counselling course, based on member feedback and demand. This diploma level course, in addition to the compulsory core units, will include subjects along specific grief, loss and bereavement issues. The course is intended for those who need a counselling qualification to meet the pre-requisites of the Graduate Certificate in Bereavement Counselling and Intervention course.

“The course content is practical and easy to follow and understand. Most of all I have learnt a great deal from the assessments and contact days, overall improving my personal and professional knowledge in the area of Bereavement Counselling amongst other things. I thank the ACGB for providing this quality of training most applicable to the workforce and self.”
Emma (student in Graduate Certificate in Bereavement Counselling and Intervention 2017)
